

CORRECT CONTACT DETAILS!

The practice sends emails to remind patients of their upcoming appointments. Many emails we send are undeliverable as they are incorrect or no longer in use. Likewise, some patient's phone numbers are not recognisable. Landlines have been disconnected; mobile numbers changed. Without the correct contact details, we are unable to connect with you.

We ask that all patients inform us of any changes to their contact details.

Please contact us by phone

0117 932 4455 or via email **info@oldlanddental.co.uk**

The practice charges for missed appointments. Charges will not be waived, if you have failed to inform us of any changes to your details.

We thank you for your continued support.
